## How we do drinks at Maray

Utterly drinkable cocktails and no-and-low serves for all palates, from reworked classics to forward-thinking creations from our talented bar team. Balanced, bold and designed to be enjoyed alongside good company and great food.

Our wine list takes a global view, showcasing both familiar styles and lesser-known varietals from regions that echo the flavours and influences of our food, all sourced from producers who care deeply about their craft.

We work closely with local breweries for our house draught, alongside a considered range of packaged craft beers, keeping things fresh, independent and full of character.

The Tuscan way to end a long dinner: a 1961 Florentine recipe of rhubarb, iris and warming spice, best taken slowly over ice.

## WOLFE BROS LEMONCELLO

Yorkshire's zero-waste lemoncello, made from rescued lemons and served ice-cold to finish the meal.
